

Instructions Page – Program Detail – Uses of Funds

1. Please select the types of programming that will be offered to delinquent students. You may select more than one program. If OTHER is selected, please give a brief explanation of the services that will be provided.
2. Please select the grade levels of students who will be served by the LEA.
3. Please select the tools that the LEA will use to measure progress. If OTHER is selected, please give a brief explanation of the tools that will be used.
4. Please select the components of the transition plan that the LEA will use to serve local students returning from short or long-term stays in juvenile facilities. If OTHER is selected, please give a brief explanation of the services that will be provided.
5. Please select the components of the program that will be used to involve parents/guardians in their children's education. If OTHER is selected, please give a brief explanation of the services that will be provided.
6. When all sections are complete, please click the SAVE PAGE button at the bottom of the page.
